October Theme: Caring and Tolerance

Guidance Tip of the Month: Caring is sharing☺ It can be a two-way street, but doesn't have to be. If you are caring, then just be yourself. Your example may be inspiring to others.

Tolerate as you would like to be tolerated. Tolerate people, not necessarily all of their behaviors. Poetically, most of you will be parents of children and teenagers one day. If you don't get it now, you will then☺

Caring- *displaying kindness and concern for others.*

Kind, warmhearted, tender, concerned, attentive, thoughtful, considerate; affectionate, loving, sympathetic, understanding, compassionate, standing up for others, confronting negative thinking/behaviors

Tolerate- *allow the existence, occurrence, or practice of (something that one does not necessarily like or agree with) without interference. Can be good or bad.*

(allow, permit, condone, accept, endure, put up with, bear, stand)
