

BUSINESS TECHNOLOGY ACADEMY GRADUATION REQUIREMENTS

Freshman c/o 2022 Sophomore c/o 2021

- Enroll in a business/technology class each school year
- Pass two industry certifications
- Be an active member in the Future Business Leaders of America (FBLA) co-curricular club in 10th -12th grade year (freshman year is optional)

Juniors c/o 2020, Seniors c/o 2019

- Enroll in a business/technology class for each year you have left in high school
- Be an active member in the Future Business Leaders of America (FBLA) co-curricular club for each year you have left in high school

NOTE: For any student attending Mitchell High School on school choice based upon Business Technology Academy enrollment, it is necessary to follow the guidelines listed above so you do not lose school choice status.

Students who are zoned for Mitchell High School can still take a business or technology course without adhering to the academy graduation requirements.

Below is a list of courses available in the Business Technology Department:

Sequence 1	Sequence 2	Sequence 3		Sequence 4
Digital Information Technology (DIT)*	Digital Design 1*	TV Production Technology 1	Digital Cinema Production 1	Digital Information Technology (DIT)*
Business Entrepreneurial Principles	Digital Design 2	TV Production Technology 2	Digital Cinema Production 2	Foundations of Computer Programming
Accounting	Game & Simulation 2D	TV Production Technology 3	Digital Cinema Production 3	Advanced Placement (AP) Computer Science
	Game & Simulation 3D	TV Production Technology 4	Digital Cinema Production 4	
*Course sequences do not have to be followed as listed, however, DIT or Digital Design 1 are the recommended introductory courses.
