

There is a strong correlation between AP Seminar and AP Language (see figure below). This data shows that taking AP Seminar concurrently with AP Language positively impacts success on the AP Language test.

Since AP Seminar is a **skills-based** (rather than a content-based) class, it is foundational to all upper-level AP classes taught on campus.

## AP SEMINAR PASS RATES

	JWMHS AVERAGE	NATIONAL AVERAGE
2015-16	100%	73.1%
2016-17	100%	86.7%
2017-18	97.2%	82.2%
