

2022-2023 Suggested Science Course Sequences

	9th	10th	11th/12th
Traditional Choose 1	*Biology	*Biology Chemistry <small>(if completed Alg 1)</small> Environmental Forensics Marine	*Biology Chemistry <small>(if completed Alg 1)</small> Environmental Forensics Marine
Honors/ Advanced Choose 1 or both	*Biology Honors	Anatomy & Physiology Honors Chemistry Honors <small>(if completed Alg 1 Hon or higher)</small> Marine Science Honors	AP Biology <small>(only if completed Bio Hon & Chem Hon)</small> AP Chemistry <small>(only if completed Bio Hon & Chem Hon)</small> AP Environmental
AP Science Scholar: seeking competitive science field degree. Choose 2	Co-enrollment *Biology Honors and Chemistry Honors AP Environmental	Chemistry Honors <small>(if completed Alg 1 Hon or higher)</small> AP Biology <small>(only if completed Bio Hon & Chem Hon)</small> AP Chemistry <small>(only if completed Bio Hon & Chem Hon)</small> AP Environmental	AP Biology <small>(only if completed Bio Hon & Chem Hon)</small> AP Chemistry <small>(only if completed Bio Hon & Chem Hon)</small> AP Environmental

2022-2023 Suggested Science Course Sequences

Science Electives:

Chemistry (must complete Alg I or higher)
Environmental
Forensics
Marine

Anatomy Honors
Chemistry Honors (must complete Alg I Hon or higher)
Marine Honors

AP Biology (must complete Bio Hon & Chem Hon)
AP Chemistry (must complete Bio Hon & Chem Hon)
AP Environmental (must complete or co-enroll Bio Hon)

Science Subject/Certifications

Anatomy Honors	Bio
Biology/Honors	GS/Bio
Chemistry/Honors	Chm
Environmental	GS/Bio/Chm/ES
Forensics	GS/ES/Bio/Chm
Marine/Honors	ES/Bio/Chm
