## 2026 – 2027 Course Selection Form

Student Name: \_\_\_\_\_ Student ID: \_\_\_\_\_ Grad Year: 2029 2028 2027 (Circle Appropriate Year)

Students need to reference the graduation requirements when selecting classes. Students must be enrolled in 6 classes, regardless of the number of high school credits previously earned. Students must be enrolled in at least one on campus class to be enrolled as a JWMHS student. Full online students should apply to Pasco eSchool.

- **eSchool/FLVS:** If a student chooses to take an online eSchool class, they can choose to take it in our on-campus eSchool lab or off-campus. Students are allowed **no more than one** on-campus eSchool placeholder. If a student chooses to take a class off campus, the off-campus placeholder must be **at the end of the day AND the student must have daily transportation to leave campus.** Note: Students **CANNOT** stay on campus during an off-campus placeholder for any reason.
- **Dual Enrollment:** All DE students must also fill out an online Dynamic Form requesting classes at JWMHS as well as those online/at PHSC or via Pasco eSchool. Students taking PHSC classes off campus must register for their classes through their PHSC account on the PHSC website. Students taking DE classes online or off-campus, must pick up books as outlined on the district Dual Enrollment page. Off-campus PHSC placeholders must be at the end of the day and students must have daily transportation to leave campus. Go to <http://www.pasco.k12.fl.us/iasc/page/dual-enrollment> for more information, including required eligibility scores.
- **Advanced Placement & AICE:** If taking an AP or an AICE class, the student is required to take the applicable exam in April/May. If the student misses an AP exam or drops the class once AP exams have been ordered, they will be charged a fee (~\$40) to return the AP exam.
- **Schedule Change Policy:** A schedule change will not be granted because of teacher preference, lunch preference, low grades, class demands, or the student is overwhelmed with extracurricular activities. Please choose classes carefully that meet your goals and extracurricular demands. Valid reasons for a schedule change include: computer or counselor error, previously failing a required course, passing a course in summer/extended school day, lacking a graduation requirement, and/or lacking proper prerequisites. Note: A change request may require the entire schedule to be altered including teachers and periods. Once a schedule has been changed, it cannot be changed back to the original schedule.

**Teacher signatures/recommendation must be obtained for ALL CORE Honors/AP courses.**
